Flip One Size

A really versatile nappy system from the makers of Bumgenius - great if you want to mix and match for different occasions! Comprises a onesize waterproof outer shell then a choice of 3 inserts which slot inside. Popper size adjustments on the front for slim fit from birth to potty.

Choice of inserts:

Stay-Dry	microfibre - absorbent but quick drying, topped with microfleece	Overnight, anytime, great if limited drying facilities, keeps baby dry
Organic	100% organic cotton	Sensitive skin, overnight, anytime, longer drying time. Natural fabric
Disposable	Oeko-tex approved non-woven bamboo viscose 5g, wood pulp 14-15g, SAP 3g and starch based glue 1g. (97% degradable)	Perfect for travel & convenience

Hook & loop or poppers. Onesize - fits from 7 - 35lbs (3.1 - 16kg)

Hunny Highlights

- ✓ Versatile with choice of 3 inserts
- ✓ Flexible fastening options -hook&loop or poppers
- ✓ Butterfly closure tabs for comfort
- ✓ Quick drying option
- ✓ Natural material option against baby's skin
- ✓ Disposable option - best degradability out there!
- ✓ Beautifully soft outer, fabulous patterns & colours

Hunny Heads-up

- ! One size nappies get more wear than sized - keep in mind if intended for more than one child- poppers may last better than 'hook and loop'
- ! Disposable inserts not backed with plastic - can fall apart a bit but not a problem as only used once
- ! A little fiddly to put together on wrigglers!

Nappy Do

- ✓ Pre-wash the material inserts a couple of times before first use
- ✓ Knock any solids into the toilet and flush away
- ✓ Can re-use wraps up to 5x before washing
- ✓ Fasten hook & loop tabs to the laundry tabs.
- ✓ Store in a dry bucket
- ✓ First cold machine rinse with no detergent then wash at 40°C in non-bio detergent plus sanitiser* (*optional - see [Washing and Drying](#) info sheet)
- ✓ Hang to dry. Inserts can be tumble dried on low heat if preferred.

Nappy Don't

- ! Do not use greasy rash cream unless using a paper liner to protect the nappy fabric from getting clogged up (see [Nappy Rash](#) info sheet)
- ! Do not use bleach or fabric conditioner. Avoid biological detergents.

Hunny Hints

- ✓ You can be real-nappy Mum, organic Mum or disposable Mum - (or Dad obviously!) - the choice is yours!
