PopnGro Super Softee

The Super Softee nappy is an ultra soft two sized shaped nappy that offers a super slim fit, 100% luxury for baby and fast drying time. It is designed to meet the needs of the smallest newborn right through to the chunkiest toddler without compromise.

Each size nappy can be adjusted to make a 'size within a size' by changing the popper setting at the front. Highly absorbent minky fabric offers excellent absorbency for day or night and there is an additional booster included to be added as required. The super quick drying fabric makes your life easy- it comes out of the machine almost dry! It also wicks away moisture from the skin, keeping baby comfy and dry.

Hook and loop fastenings - as easy as disposables!

*Size 1 - 7lbs to 20lbs / around 3.5 - 8kg

*Size 2 - 20lbs to 35lbs+ /around 8kg - 16kg

Hunny Highlights

- ✓ 2 sizes ensures slim fit and reduces wear
- ✓ Excellent containment
- ✓ Very absorbent with extra booster if needed
- ✓ Very quick drying
- ✓ Size 2 fits large toddlers - bigger than some other 'birth to potty' nappies
- ✓ Very soft minky fabric - stays soft when washed
- ✓ Unisex print and colours - safe buying antenatally

Nappy Do

- ✓ Pre-wash nappy a few times before use to reach full absorbency
- ✓ Wash nappy & inserts after each use
- ✓ Fold over any Aplix tabs to prevent snagging
- ✓ If soiled, knock solids into toilet. Small solids stuck to the fleece will dissolve in the wash
- ✓ Separate inserts and outer & store in dry nappy bucket
- ✓ Wash at 40°C in non-bio detergent - only use half the recommended amount - plus sanitiser (see '**Washing and Drying**' info sheet)
- ✓ Tumble dry on low heat or hang to dry

Hunny Heads-up

- ! Two sizes can seem expensive but some 'birth to potty' nappies are outgrown by large toddlers. 2 sizes also reduces wear on the nappies - useful if you plan to use on further children
- ! Hook and loop fastenings are easily undone by some toddlers (so are disposable nappy fastenings!)
- ! 2 part nappy so more fiddly than all-in-ones

Nappy Don't

- ! Don't use nappy rash ointments/creams without paper liner to protect nappy (see **Nappy Rash** info sheet)
- ! Don't use fabric softener, bleach or biological detergents (especially containing optical brighteners)

Hunny Hints

- ✓ These nappies are incredibly soft and comfy - gorgeous against baby's skin. They are slim fitting too - our absolute favourite 2 part nappy!
